Ella & Jo Cosmetics

Niamh Ryan, co-founder of Award winning Ella & Jo Cosmetics, is a beauty salon owner from Ballina, Co.Mayo, and has a Masters in Marketing from DCU and the University of Illinois. Niamh is a Senior Skin Therapist with Image and Dermalogica skincare and has studied the skin extensively over the past eight years. Her salon “Bella Beauty” has won multiple awards– Ireland’s Best Beauty Salon in 2014 and Mrs2Be’s Best Bridal Beauty Salon, with Niamh herself winning IBYE’s best established business in Mayo in 2014. As an ex Unilever UK & Ireland brand manager, Ella & Jo brings together Niamh’s three loves- marketing, product development and the skin.

Niamh has suffered with problem skin all of her life. After being on countless medications and undergoing many treatments she is always searching for new ways to help people to renew their confidence in their skin and themselves. This is one of the reasons Niamh and her business partner Charlene Flanagan decided to launch Ella & Jo.

Ella & Jo has grown at a rapid pace since it was set up in 2017, launching its first product Squeaky Clean Brush Cleanser into pharmacies and skin clinics nationwide. Nine months later, their second product was developed, a 3 in 1 Hyaluronic Skin Mist, unlike anything on the market. The duo has an innovative product ready to launch later in the year and more exciting plans for 2020.

Ella & Jo have been featured nationally across social media, TV and press, and are proudly featured in The Skin Nerd - Jennifer Rocks Straight Talking Guide to Skin Care.
